Tuesday, September 25	9	<p>Kayak Wild Croatia Adventurers welcome as we kayak the wild parts of Croatia. Three years in the making this is a real paddler's trip of Croatian exploration. We cruise past high cliffs with Griffon vultures circling overhead, venture into numerous caves and camp on colorful beaches. We start on the island of Rab and paddle between six islands, each with wildly different landscapes. Each open channel crossing takes us to completely different surroundings from moonscape barren ground to lush forests and sandy beaches. Forests home to deer, mouflon (wild sheep), owls and hawks and caves filled with thousands of bats. We will visit ruins dating back to the 4th century and paddle in the first reserve for Adriatic Dolphins in the Mediterranean. Each day holds new surprises! We take time out from paddling for coastal treks and daily swims.</p>	III
